IHE EUROPE | CONNECTATHON
BOCHUM 🇩🇪 APRIL 11-15 2016

SUPPORTING PROGRAMME
With exclusive VIP-TOURS to the IHE-Connectathon floor

12 April 2016
9.00 - 18.00 h

JOINT EUROPEAN IHE SYMPOSIUM

From visions and strategies to real life IHE solutions in support of interoperable services: Starting from the EU policy perspective, key European initiatives and funded project activities on eHealth Interoperability will be presented. Real life use cases and user experiences will highlight how IHE profiles enable networked healthcare in practice. The "Joint European IHE Symposium" will bring together all concerned stakeholders and provide a perspective for newcomers as well as for experienced attendees.

13 April 2016
10.00 - 18.00 h

GERMAN INTEROPERABILITY DAY

supported by **conhIT**

Healthcare journey to interoperability:
German policy makers (national and regional level), the German "self-administration" in charge of provision and reimbursement of care, as well as industry representatives will have a lively dialogue with end users and stakeholders around the current status of eHealth interoperability. The German Interoperability Day will be a milestone for advancing interoperability in German healthcare by involving all concerned actors – Be part of it!

Followed by participants' networking at the RuhrCongress Bochum

14 April 2016

ASSOCIATION AND PARTNERS DAY

Meeting of European and German networks

19.00 - 24.00 h
