

Interoperability in eHealth

Brussels - Belgium

24-25 March 2020

Programme: Tuesday, March 24th, 2020

- Registration & Coffee
- Opening and Welcome

Michael McCoy, IHE International Co-Chair

The role of standards and profiles for Interoperability in the eHealth Strategy

- IHE Ecosystem and new directions
Jürgen Brandstätter, IHE Europe Co-Chair
- The role of standards for Interoperability in the eHealth Strategy of the EC
European Commission representative
- The role of standards for Interoperability in the eHealth Strategy of the ONC
Donald Rucker, National Coordinator, ONC, US

Coffee Break

- The role of standards for Interoperability in the eHealth Strategy of the eHealth Network
Henrique Martins, SPMS, Portugal, Chair of European eHealth Network
- Panel: The role of Standards for Interoperability in eHealth Strategies
Donald Rucker, National Coordinator, ONC, US
Henrique Martins, SPMS, Portugal, Chair of European eHealth Network
Jürgen Brandstätter, IHE Europe Co-Chair

LUNCH

Interoperability in practice

- Interoperability in practice, practical learning and feedback
Jamie Ferguson, VP Health IT Strategy & Policy, Kaiser Permanente, US
- Evolving IHE Services: a new horizon in information exchange testing strategy
Claudio Saccavini, IHE-Services Transition Manager, IHE Europe
- Panel: Interoperability in practice and market impact
Jamie Ferguson, VP Health IT Strategy & Policy, Kaiser Permanente, US,
Steve Wretling, Chief Technology and Innovation Officer, HIMSS,
Nicole Denjoy, Secretary General, COCIR,
Michael Strübin, Director Digital HealthMedTech, Europe

Coffee Break

The importance of Image Exchange in Radiology and Surgery for Patient Outcomes

- Carequality - Imaging Exchange Project in US: Interoperability and Experiences
Didi Davis, VP Informatics, Conformance & Interoperability, Sequoia, US
- Imaging taskforce survey: Feedback, best practices and lessons learnt on "sharing Images" in Europe
Alexander Schanner, Hospital Holding of Lower Austria, Austria,
Pieter Devolder, Chair IHE Europe EU Affairs Committee
- Panel: Imaging and Patient Outcomes requires interoperability from Enterprise to Cross-border level
David Durrant, US Spine Surgery Association,
Sergio Aguirre, IHE Surgery,
Charles Parisot, Chair IHE Services, IHE-Europe,
Sham Sokka, IHE Radiology, Ron Schilling
Jörg Uwe Meyer, IEEE-SA EMBS P2733 Working Group, Germany
- Closing First Day
- Museum Networking Reception

Interoperability in eHealth

Brussels - Belgium

24 - 25 March 2020

Programme: Wednesday, March 25th, 2020

- Registration & Coffee
- Good morning and assembling to Connectathon visit

Master of Ceremony

Experience Connectivity Testing

- Connectathon Visit Briefing
Eric Poiseau
- Connectathon Visit
Tour Guides: Guided tours
- Welcome Second Day

The importance of "good data" for interoperability

- How to achieve better data quality for enabling semantic interoperability
Dr. Wylecia Wiggs Harris, CEO, AHIMA, US
- GS1 / IHE collaboration on Interoperability
A message from thought leaders attending the GS1 Healthcare Conference in Paris on how GS1 standards can enhance patient safety and supply chain efficiency.

LUNCH

Country perspectives and National Digital Health Strategies

- Switzerland: Benefits of Interoperability Testing in national projects
Adrian Schmid, CEO of eHealth Suisse, Switzerland
 - Belgium: Why eHealth interoperability matters in Belgium
Karlien Erauw, Belgium
- The eGabon project: Gabon's national strategy on eHealth**
Lloyd Eric Barro Moussavou, Project manager eGabon project, Ministry of Health, Gabon

Coffee Break

New global collaborations on Interoperability

- The JIC: 9 international SDO's collaborating to support interoperability
Michael Nusbaum, IHE delegate & Past Chair, Canada
- Global Consortium for eHealth Interoperability (GCeHI) - HIMSS/IHE/HL7**
HIMSS/IHE/HL7 speaker tbd
- Panel: Global Digital Health Partnership (GDHP) - Agenda and Country Perspectives
Austria, Korea, Portugal, Switzerland, US
 - IHE Closing Keynote
Stephane Spahni, IHE Europe Co-Chair
 - Closing
IHE International Co-Chair
