

IHE[®] | EXPERIENCE
EUROPE DAYS

VIENNA 2025
24-25 JUNE 🇦🇹

The Share project

 EHR Xchange Format

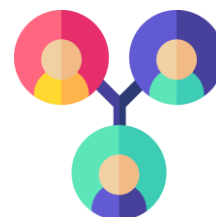

Giorgio Cangili

Technical Lead – HL7 Europe
xShare Task 2.3 leader

..Expanding the European **EHRxF** to

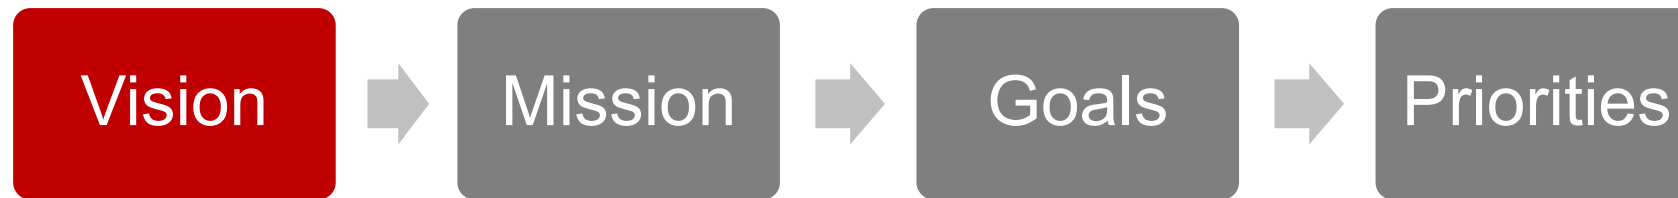

share and effectively use

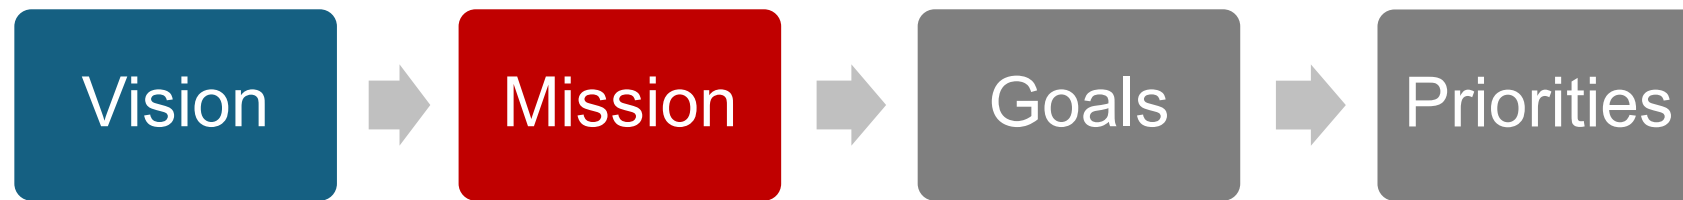

health data within the **EHDS**

xShare Vision: Everyone can share their health data in EEHRxF (the format) with a click-of-a-button in the European Health Data Space (EHDS)

xShare Mission: To experiment with evolving format specifications and identify future priority data categories, collaboratively preparing the digital health community for accelerated EHDS adoption.

Click 'n share patient health data in EEHRxF at click-of-a-button

IPS+ for Research

Care Plans

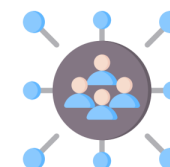

Rights of natural persons in primary use

- 🔥 The **Button and API** (the yellow button): featured in apps and websites
- 🔥 The **HUB** (the standards and policy HUB): brings global standards with industry and government to steward specifications and accelerate adoption
- 🔥 The **Label** (the industry label): demonstrates the commitment and capability of the industry to implement the format

Global Standards

Industry Driven

The “Yellow button”

Everyone can **share their health data** in EEHRxF with a “**click-of-a-button**”

The Hub

Build a **European EHRxF Standards and Policy Hub** sustainable by design.

The Industry label

Explore the feasibility and value of an EU xShare Industry label

**Steward of the EEHRxF
interoperability assets**

**Provide a neutral and
supportive environment
for co-creation and
design-thinking**

**Enabling and promoting
European EHRxF
adoption**

**Issue the xShare
Industry Label**

BRONZE

- ✓ **Self- declaration**
(compliance with xShare Yellow Button Self-Conformance Statement)*
 - ☐ Download / One-time Share
 - ☐ For one or more of these priority categories: PS, Laboratory, Discharge Report, Medicine prescription/ dispensation, Digital image.

Supporting materials:

- Self-declaration form (ZoHO form)
- Handbook for self-assessment
- xShare industry label website

SILVER

- ✓ **IHE support** (and certificate in an specific xShare plugathon)*
 - ☐ Download / One-time Share
 - ☐ For one or more of these xBundles: PS, Laboratory, Discharge Report, Medicine prescription/ dispensation, Digital image.

Supporting materials:

- Gazelle system
- xShare industry label website
- IHE plugathon website and material

*Download / One-time Share

GOLD

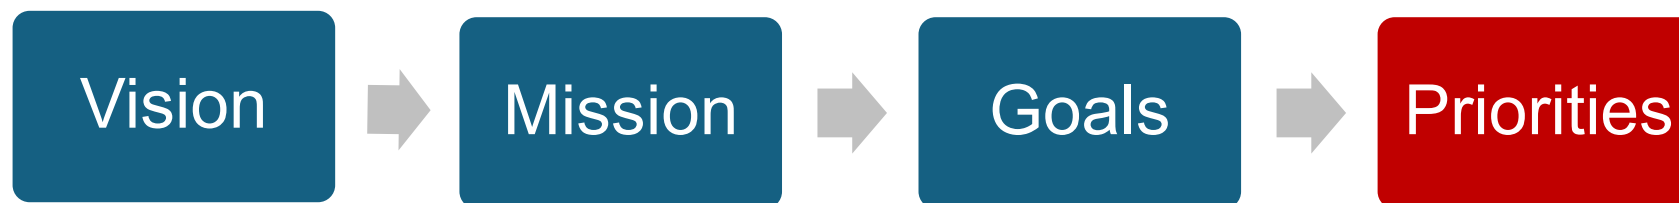

- ✓ **Country/Region add-on in a current certification strategy**
- ✓ **Catalonia scenario:**
 - ☐ **Download**
 - ☐ **xBundle: Patient Summary**
 - ☐ **3Levels of maturity**

Supporting materials:

- Self-declaration form (ZoHO form)
- Handbook
- xShare industry label website
- Label website for REGION
- FAQs document on REGION
- Contact info for questions

- 🔥 Demonstrate the xShare impact on continuity of care, clinical research, and population health.
- 🔥 Start with 8 adoption sites – 75+ ecosystem partners to accelerate adoption across Europe.
- 🔥 Demonstrate safe, trusted, low-cost sharing of high-quality structured coded health data bridging healthcare, public/population health and clinical research
- 🔥 Facilitate movement of digital health services across Europe and globally through standards.
- 🔥 Incubate the Hub as an accelerator of global standards with the EEHRxF format.
